

Please Note: Parents are not allowed on the gym floor before, during or after the competitions. Please help us run a safe meet and remind them of this. As always there is NO flash photography before and during competition. If you have a Team Photographer they need to get prior approval for taking pictures on the floor and they must have a current USAG professional number. There will be NO exceptions this year. This is for the safety of our athletes and coaches. Thank you for your understanding.

Travel to Lake Tahoe to take pictures for your holiday cards and enjoy the beauty and splendor of the lake. Take a drive up to Virginia City to see the old town and the Virginia & Truckee (V & T) Railroad. Of course there is Reno with numerous fun and exciting attractions to visit.
